Association leagues

Fundraising activities

The project is estimated to cost \$3,564,000. The project qualifies for a government grant of \$1,510,000 and a \$1,503,000 mortgage. The centre needs to raise a minimum of \$550,000 and has set goals of \$250,000 through member fundraising activities and \$300,000 from corporate sponsors. Membership fundraising activities will include golf tournaments, funspiels, donations, names on rocks, etc.

Volunteer

In the first (and possibly second) year of operation we will need to use volunteers to help us out with some of the duties (i.e. cleaning, ice preparation, food/beverage services, etc.) so that we can build up a reserve fund before we hire all the staff.
