Association leagues

Costs will vary depending upon availability of ice time, time of day, number of weeks, number of sheets etc. with an expectation of a price between \$13 and \$15 per player per game.

Volunteer

In the first (and possibly second) year of operation we will need to use volunteers to help us out with some of the duties (i.e. cleaning, ice preparation, food/beverage services, etc.) so that we can build up a reserve fund before we hire all the staff.

Equipment

The curling centre provides the stones, brooms, sliders, and cue sticks. You need to wear warm, loose-fitting clothes and a pair of clean, flat, rubber-soled shoes (i.e. running shoes). For your safety, we recommend wearing curling shoes and protective head gear.
